ESTATE BOTTLED

# CHARDONNAY UNOAKED

This fruit-driven Chardonnay presents crisp citrus and floral notes on the nose, round flavors of Red Delicious apple with a strong undercurrent of minerality and a clean, lemony finish. A classic companion for shellfish. Also lovely on its own, or with a cheese soufflé made with aged cheddar.

## TECHNICAL INFORMATION

<b>Grape Variety</b>	100% Chardonnay
<b>Appellation</b>	Finger Lakes, Estate Bottled

LAMOREAUX  
LANDING

WINE CELLARS

---

For three generations our family has been growing wine grapes on the shores of Seneca Lake using only sustainable viticultural practices. So it's not just a fad for us, it's who we are. These "green" decisions not only protect the health of our employees, consumers, and neighbors, but also insure our continued ability to grow and deliver the best possible wine for generations to come.
